

CALL FOR PARTICIPATION

SoAI 2026 AI Algorithmic Trading Competition

<https://www.soc-ai.org/trading-competition/index.html>

Build. Deploy. Trade. Compete.

The SoAI 2026 AI Algorithmic Trading Competition invites participants worldwide to design and deploy AI-driven trading strategies in a fair, standardized simulation environment.

This global competition is open to everyone and runs alongside

IntelligenceX 2026 – The Global Quantum × AI Frontier

24–26 September 2026 | Singapore

bringing together top talent in AI, quantitative finance, and algorithmic intelligence.

What You Will Do

- Build an AI-powered trading strategy
- Deploy a fully automated trading system
- Compete in a realistic market simulation
- Benchmark performance globally

Who Can Join

- Open to all participants worldwide
- Individuals or teams (2–5 recommended)
- Backgrounds in AI, finance, computer science, mathematics, or related fields

Competition Timeline

Code Submission Deadline: 25 July 2026 @ 23:59:59 (SGT, UTC+8)

Verification & Test Run: 26 July 2026 @ 00:00:00 – 28 July 2026 @ 23:59:59 (SGT, UTC+8)

Official Trading Period

Start: 1 August 2026 @ 00:00:00 (SGT, UTC+8)

End / Fund Closure: 31 August 2026 @ 23:59:59 (SGT, UTC+8)

Winners Announcement:

🏆 6 September 2026 (SGT)

Competition Structure

1. Strategy Development: Signal generation; Portfolio construction; Risk management
2. GitHub Submission: Fully reproducible code required; Clear documentation (README)
3. Official Execution: All strategies are executed by the IntelligenceX technical team; Standardized environment ensures fairness

Evaluation

- Primary Metric: Terminal Return
Defined as the final portfolio return after full liquidation at: 31 August 2026 @ 23:59:59 (SGT)
- Only results generated by the official system are valid. Fairness & Reproducibility
- Centralized execution removes: Latency advantages; Hardware differences; Execution bias

Awards & Important Condition

Total Prize Pool: SGD 3,000

⚠ Prize Condition (Strict):

Cash prizes will be awarded only to winners who present in person at IntelligenceX 2026 (Singapore)

No physical attendance → No cash payout

No money transfer or remote disbursement will be arranged

Finalists & Exposure

Top teams will: Present live at IntelligenceX 2026

Engage with: Venture capital firms

Quant funds

Financial institutions

Why Join

- Apply AI in real trading scenarios
- Gain hands-on experience in algorithmic trading
- Showcase your work globally
- Connect with investors and industry leaders
